TESTIMONIAL

“Kelly is simply the best. I have had the privilege of both hearing kelly speak but also work with her one on one. As a speaker she is inspiring and relatable. She connects with the audience as she’s speaking directly to you. And one on one she encourages you to be the best version of you.”

Heather CEO Sandbox Comm

Kelly Featheringham is an award-winning strategic leadership consultant. 2x author of the #1 Bestselling book *What’s Your Ripple Effect?*, and founder of Team Leadership Solutions.

In her former roles leading high-performing foreign affairs teams, Kelly immersed herself in diverse cultures and unique challenges. Having navigated the complexities of male-dominated industries, she is known as a strategic leadership secret weapon. Her methodical and realistic approach to problem-solving now helps other women lead confidently with great impact.

Kelly has over 25 years of leadership experience and is dedicated to helping executive women leaders leverage their strengths to achieve sustainable success as empowered leaders. She accomplishes this through strengths-based leadership programs, tailored workshops, and practical strategies for overcoming unique challenges.
